

## *KESTRELS ANNUAL REPORT 2015*

Kestrels have had an adventure packed year, with most recently our joint Woosehill Cub Camp to Windsor, it was thoroughly enjoyed by all, the cubs hiked to Windsor Castle from Bears Rails Campsite and then built a giant catapult, built fires and were very creative.

During our meetings we have tried a number of different activities, including, hiking, boxercise, making bird boxes, cricket, shelter building, football, lots of campfires and playing heaps of games including dodgeball!. We also had a great time at Pinewood Raceway and Bracknell Ice Rink, where the cubs learnt great team skills and some going on the ice for the first time!

Our trip to the REME allowed the cubs to climb all over different tanks and ask lots of questions.

This summer we will be looking forward to taking part in Katanuung at the Waterside Centre, a Funday at Gilwell Park Activity Centre and a visit to the National Grid.

We couldn't have done this without a great team and my thanks go to Amanda Goode and Suzanne Attryde.

I'd also like to thank out Young Leaders Ross Anderson, Christian Fairhead and Marcus Tait who have been really supportive throughout.

Elizabeth "Charlie" Griffiths (Cub Scout Leader)
