

# **1<sup>st</sup> Woosehill Scout Group**

## **Buzzards Scout Troop**

### **Report to AGM**

#### **2015/2016**

Buzzards Scout troop has 28 Scouts (23 Boys, 5 Girls)

Over the past year the Scouts have had the opportunity to take part in many activities including, climbing, circus skills, pioneering, orienteering and many more activities.

The Scouts have also had trips to Coral Reef and Gravity force as part of the weekly program.

Camps through the year started with the Summer camp to Snowdonia joint with Merlins, all scouts who attended managed to conquer the tallest mountain in England and Wales, Snowdon, this was achieved in some challenging weather conditions. Other activities in Snowdonia included a trip to bounce below, and 8 Scouts took up the challenge of going deep into a remote Welsh valley to spend a night in a Bothy. Other camps throughout the year have included a weekend camp at Chessington World of Adventures and the traditional Sub Zero Camp in January to brave the cold and have some fun.

This year Buzzards has welcomed Aonghas MacKay as an assistant scout leader, Aonghas was previously a young leader with Buzzards and it is excellent for the section and the scouts that he has offered his time as a leader. Buzzards has also welcomed some new young leaders (Luke, Sam & Jo) all previous members of Buzzards who have become an important asset to the section.

This summer sees Buzzards scouts join with 2<sup>nd</sup> Woosehill Guides for a summer camp at Paccar Scout Campsite, this looks to be a fantastic week of activities for everyone.

Andy Newman (Scout Leader)
