

KESTRELS ANNUAL REPORT 2016

Kestrels have had an adventure packed year, with most recently our District Cub 100 Camp in Arborfield, it was thoroughly enjoyed by all.

With a Cub pack of over 30 cubs, our sessions have always been lively and given the cubs the opportunity to meet new people, develop new friendships and try out new things. During our meetings we have experienced a variety of different activities, including, hiking, masterchef, Emergency 1st Aid, Jumble sale, rugby session, PCSO visit, travelling zoo and lots of campfires and playing heaps of games including dodgeball!

We also had a great time at Reading Climbing centre, Microsoft, and Bearwood riding stables where some cubs rode for the first time! We had a bouncy time at Gravity force and a speedy bike ride around Dinton Pastures.

We couldn't have done this without a great team and my thanks go to my Assistant Leaders.

I'd also like to thank out Young Leaders Ross Anderson, Marcus Tait and Charlie Watson who have been really supportive throughout.
