

AGM REPORT 2024- 2025
BUZZARDS SCOUT TROOP YEAR

What have we been up to:

- Learning and in some cases practicing new scout skills such as sewing, ironing, making tea, washing machine labels
- Raft 'team' building and then testing on the Thames, and of course they all floated ☺
- Learning to light fire, smores and hot chocolate
- Cooking is a must in Scouts and this year we've made bread on the campfire, Shrove Thursday pancakes, and vegetable stirfry from scratch including all that chopping!!!
- Had fun at Coral Reef, Clip 'n' Climb and Henley River and Rowing museum.
- You can't have a year without a pioneering project- this year it was sedan chair build and race and making Cokers.
- Scout values included making cookies for our MacMillian charity coffee evening, Bluecoats wheelchair rugby and visiting the Foodbank.

Plus of course all the extra activities outside of our Thursday session.

- Ramsgate Tunnel Sleepover
- Tree planting with the Friends of Fox Hill
- Autumn Camp at the Hut
- Brownsea Island with the Cubs
- Last summer's week long scout camp at Ross on Wye

And we still 3 weeks left of the Summer Term followed by our week Scout Camp in July.

But mainly we have been

- **Having fun, learning new skills and making friends with others outside of school**

Thanks to all our supporters, including the fantastic parents who get stuck in each week. It's great for our Scouts when you come and share your enthusiasm, interests and values. If you're interested in joining the team then come and speak to us.

The Buzzards Team (Simon, Andy, Michelle, Steve & Nadithya)
