

# cubs

We've had another fun filled year in Hawks Cubs.

In the **Autumn Term** we had our annual visit to play Pétanque which everybody enjoyed. We had a joint sleepover with Scouts at The Natural History Museum for Dinosnores which is always fun and an unique sleepover amongst the Dinosaurs!!!. We gained our Money Skills badge, went on a hike and built some Bird Boxes for our local wildlife. We had a Diwali themed evening.

We celebrated Parick gaining his Silver Award and leaving us to join Scouts.

**Spring term** was with us before we knew it and again, we packed a lot in!

As part of our Animal Carer badge, we visited Mulberry Vets which was interesting to see the different aspects of a vet, the cubs asked lots of questions. We always enjoy doing something a little different in Scouting and in the Spring Term we went Bell Ringing at St Pauls' Church, Wokingham and worked towards our My Faith Badge, World Badge and World Faiths Badge. We also went Donating at Alpine Snowsports which the cubs and adults who came to help really enjoyed! We started work towards our Communicator Badge. We had a visit from the District Skills Team for an evening of Whittling where the cubs made their own walking sticks.

We had another fun filled sleepover at the RAF Museum near London for Pillows and Pilots!

We held our termly hike where the cubs carried a donation for the local food bank where we took them to the local Waitrose to join their collection point.

We celebrated Dylan gaining his Silver Award and leaving us to join Scouts.

As I'm writing this we are during a busy **Summer Term** as we have 29 cubs in our pack this term.

We are working towards our Fire Safety Badge with a visit to our Local Fire Station planned.

We have kayaking at Wokingham Waterside Centre also planned this term along with high adventures at Go Ap! In Bracknell and our termly hike but this time away from the hut and at the Lookout with hopefully enough time to build shelters.

We have 9 Cubs leaving us this term, Amelia, Ivy, Daniel, Luke, Joshua, George, Vincent, Austin and Arlo, the majority of which will achieve their Cub Silver Award which is an amazing achievement.

Another fun filled Scouting Year for Hawks Cubs!!
