

Squirrels

1st Woosehill Scouts opened our first drey this year called Wrens.

We welcomed 12 squirrels and also some new Leaders into scouting at the start of the Spring Term.

What have Squirrels been up to?

- Bridge Building and seeing if they could hold the weight of teddy bears – they could!! 😊
- We went for a Gruffalo Hunt
- We've had campfires and sang some campfire songs
- We've made some cakes in a mug – very yummy!
- We had some Easter Fun and went on an Egg Hunt!

The Summer Term is always a good term to get out and about and for our new invested Squirrels it has been no different.

We have explored some indoor caves in our hut and we've been pond dipping to spot some wildlife.

We are due to go on a teddy bear's picnic and Katakanaing at Wokingham Waterside Centre – there is no stopping our adventures!

As part of our Local Superhero's badge, we are going to visit our local Fire Station.

We've got some outdoor cooking to look forward to and water games!

We are having our first sleepover at the hut!

We'll be saying goodbye to Victoria, Matthew, Arik and Quinn this term who will be moving up to Beavers.
